

**Shelby County Schools**  
**2011-12 Goal Action Plan Evaluation**  
**At-Risk Strategic Area**

**System Goal**

To provide the highest quality education and appropriate support for each student while meeting and exceeding all standards.

**Goal Action Plan**

Supporting at-risk students with behavioral concerns

**Strategies**

1. Establish an elementary and secondary at-risk committee comprised of teachers selected by administrators that are extremely effective in dealing with behavioral issues. Compile a list of best practices and support needed for teachers.
2. Provide short professional development web-based videos on a variety of topics offering suggestions/interventions for various behaviors.
3. Encourage teachers serving on the at-risk committee to develop local committees to support teachers needing assistance with students displaying various disruptive behaviors.

**Evaluative Summary**

1. The GAP committee was formed and Bette Nix and Leah Anne Lowe communicated frequently concerning the types of behaviors exhibited in schools today. Mrs. Nix presented a workshop entitled, "Mood and Anxiety Disorders" to Inverness Elementary School. The results of the evaluation for this workshop are included in the folder.
2. A list of websites and resources from Adria Ellis and Bette Nix is included in the folder. This will eventually be placed on the shared server for all teachers to utilize.
3. Unfortunately, the committee of teachers was not yet formed, but this GAP can easily be carried into the 2012-2013 school year. Mrs. Nix has agreed to record videos for behavioral issues and Cindy Wiley agreed to record a video for depression and/or suicide.
