*Prepared for the Journey*

## Vision

**To be the model for excellence in education.**

## Mission

**To make every student a graduate  
and every graduate prepared.**

## Beliefs

**Collaboration for Results:** We believe in a collaborative environment where every individual recognizes their important role in the team effort toward achieving excellence.

**Commitment to Excellence:** We believe in having a strong commitment to our overall mission and to every individual.

**Community Partnerships:** We believe community stakeholders are important and recognize that building relationships and trust are vital to our continued success.

**Continuous Improvement:** We believe in the intentional process of continuous improvement in every school and department because it is the standard for excellence.

**Culture of Success:** We believe in a positive and caring school culture that celebrates the character, integrity, and diversity of our students and staff.
