

CVES PTO introduces...

“CVES Jewels For Our School”

Turn your clutter into Jewels for teachers!

What?

Our teachers need as much help as possible with classroom supplies this year due to funding cuts. **Jewels for School** was created to provide a cash free way for parents and local businesses to help CVES by donating excess items for teachers. PTO will match your jewel with the teacher wishing for that item. We are also creating an “Unclaimed Jewels” area for any gently used items that aren’t on the current list but could help improve a classroom.

What items are needed?

Teachers are requesting everything from typical school supply items like paper towels, Germ X, copy paper, pencil sharpeners, etc. to general items such as ink cartridges, used computers, DVD/CD players, headphones, used digital cameras, bookshelves, rugs, etc. Please take a look at the current list to see what jewels you have to offer.

When?

This program will continue the entire school year with teachers updating the lists as needs arise. A current list of wishes will be posted on the CVES website or request the current list by email below.

How do I sign up?

To participate by donating simply send an email to: Juliecainward@aol.com or call/text Julie Ward at 447-1066 to arrange pickup. See any PTO board member with questions.

THANK YOU FOR HELPING OUR CVES TEACHERS!!!!
