## **WELCOME**

Welcome to Montevallo Middle School. Home of the Big...Bad...Bulldogs! You are now a member of the student body at one of the finest schools in the state. We are glad you are here and invite you to participate in our academic, athletic, and activity programs. We hope you will take pride in BULLDOG TRADITIONS of scholastic excellence and school spirit.

## **MISSION STATEMENT**

The Mission of Montevallo Middle School is to offer a challenging curriculum that encourages students to reach their full potential and become independent, lifelong learners.

## **SCHOOL SPIRIT**

School spirit may be divided into three categories:

1. **COURTESY** - toward teachers, school staff, and fellow students
2. **PRIDE** - in everything our school endeavors to accomplish and has accomplished in the past
3. **SPORTSMANSHIP** - the ability to win and lose gracefully

**School Spirit** means loyalty to all functions of the school. A loyal student supports his/her school and does everything possible to keep his/her scholastic and activity standards at the highest possible level. A loyal student takes pride in the building and does everything possible to keep the facilities clean.

## **ASSEMBLIES**

Assemblies are held throughout the year for informational and learning purposes. Students should be courteous and attentive. Dismissal should be orderly. Pep rallies are also held occasionally to promote school pride.

## **ATTENDANCE**

Students deserve every opportunity for academic success. Prompt, regular, daily attendance not only teaches life supporting skills but also increases the likelihood of school being a positive experience. It is the legal responsibility of the parent/guardian to see that his/her child is in school regularly. When a student cannot be in school, the parent/guardian should call the school, **682-6410**, by 9:00 a.m. on the day of the absence. When a student is absent from school, he/she must bring a note stating the cause of absence before the student will be allowed to make up work.

Frequent absences of students from their classes disrupt the continuity of the instructional process. The benefit of regular classroom instruction is lost and cannot be entirely regained even by make-up work. Therefore, students who miss frequently will be recommended for the Early Warning Program (see County Code of Conduct).

**NOTE: It is highly recommended that family trips are scheduled during the break.**

## **ATTENDANCE REGULATIONS**

1. **Compulsory enrollment and attendance are mandated by Alabama Law. Students must be in school at least 155 days of the school year.**
2. **An excused absence is one that does not count toward the total number allowed by the attendance program. The only excused absence are: personal illness documented by physician's statement, court documented appearances, and emergencies approved by the principal or the Superintendent. All work can be made up.**
3. **An unexcused absence is one that counts toward the total number allowed by the attendance program. Failure to the parent/guardian to send an excuse may result in the student's not being able to make up work.**
4. **Absences from school because of suspension are unexcused. Students will not be allowed to make up work.**
5. **Any student enrolled in grades 1-8 who accumulates more than 16 unexcused absences during the year is subject to being retained in the same grade. Partial day absences will be cumulative in computing this total.**

## **AWARDS DAY**

Awards Day is held each year in May. Students are recognized for outstanding service and achievement. This assembly also honors local merchants, parent volunteers, and community members who have supported MMS throughout the year.

## **BUILDING AND GROUNDS**

Take pride in your school and surrounding campus by keeping it clean and free from unsightly trash and/or debris. We can all make a difference by doing our fair share.

## **CAFETERIA**

Participation of students in both the lunch and breakfast programs is encouraged. Students' behavior in the cafeteria should be based on courtesy and cleanliness. Students should go through the food choice lines, pay for food, and remain in the cafeteria until the designated time is over. To be fair to others, breaking line, and sharing food are not allowed. No food or drink is to be taken from the cafeteria. Students should return their tray to the window. Students may not purchase tea or dessert unless they are eating a meal.

## **CHARGED MEAL PROCEDURES (rev. 4-28-2017)**

Shelby County Schools realize that students may forget or lose lunch/breakfast money. To make it easy for parents to view charges, fund accounts, and get notified of low balances, we have partnered with [www.myschoolbucks.com](http://www.myschoolbucks.com). There is no charge for parents to create, monitor, or receive emails regarding low student meal balances. Parents may also utilize the myschoolbucks mobile app on their mobile devices to monitor accounts. Parents will still be notified in writing of negative student balances and will be afforded a reasonable opportunity to clear the bad debt.

It is unlawful for the Child Nutrition Program to absorb unpaid, charged meals. Parents are responsible for providing funds for student accounts. If parents need financial assistance paying for school meals, a meal benefit application for free/reduced price meals must be completed. The meal application only takes a few minutes to complete and can be found online at [www.myschoolapps.com](http://www.myschoolapps.com) or [www.shelbyed.org/cnp/mealbenefits](http://www.shelbyed.org/cnp/mealbenefits), at the local school, or at the Central Office. Applications for meal benefits can be completed at any time during the school year. If a parent refuses to complete a meal benefit application or provide funds for student meals after a reasonable amount of time, an alternative meal may be provided at the principal's discretion after parent notification.

## **CELL PHONES**

Cell phones are to be turned off and kept in the locker during the school day. First violation will result in the student being assigned ASD. Second violation will result in one day ISD. Subsequent violations will result in OSS or alternative school referral. There is an expectation to privacy in restrooms, locker room, and performance areas; therefore cell phones or other devices are banned from use in these areas.

## **CHEATING**

All students are expected to do their own work and to conduct themselves in an honorable manner. If a student is found to be guilty of cheating, the teacher shall collect the student's paper, mark a zero for the work, and immediately notify the parent/guardian and office about the action taken. The parents/guardians shall be notified that a second offense will bring further consequences that could result in suspension from school.

**CLUBS AND ORGANIZATIONS** - Montevallo Middle School (MMS) offers several students clubs and organizations (e.g. Beta Club, National Honor Society, Student Council, Leaders of Tomorrow, Ambassadors, and others). These clubs provide opportunities for students to have an active role in their schools, and to serve in leadership positions. Students are encouraged to participate in the clubs and organizations at MMS.

## **DANCES**

Dances are held periodically during the school year. Once the student enters the dance, he/she must stay until the dance is over, or a parent/guardian comes to the door to pick him/her up. Our dances are for MMS students only. If a student is absent or suspended from school he/she may not attend the dance.

## **DISCIPLINE**

Proper behavior is that which enhances the learning environment. Classroom teachers are responsible for maintaining classroom discipline and will deal with general classroom disruption. Teachers are encouraged to make a personal call to parents/guardians or work through the principal if a student persists in inappropriate behavior. Parent conferences may be scheduled by the teacher or principal when warranted. Only when the action taken by the teacher is ineffective or the disruption is sufficiently severe, will the student be referred to the administrative team. When a student is brought to the office, the principal or assistant principal shall hear the student's explanation and consult further with other school personnel, if necessary, before determining the classification of violation or disciplinary measure. The **SHELBY COUNTY SCHOOL STUDENT CODE OF CONDUCT AND ATTENDANCE** guidelines will be followed when deciding the classification as well as the type of consequence. **STUDENTS WHO HAVE EXHIBITED INAPPROPRIATE BEHAVIOR MAY FORFEIT THE RIGHT TO GO ON SCHOOL TRIPS OR ATTEND EXTRA SCHOOL FUNCTIONS.**

The county's medication policy must be followed.

## **MAKE-UP WORK**

## **OFFICE**

Students and parents are welcome in the office when they have business to conduct. Only authorized personnel are allowed behind the counter.

All students at MMS are subject to adhere to the **SHELBY COUNTY STUDENT CODE OF CONDUCT** during the school day, while being transported on school buses, at school sponsored events, field trip, academic team events, and other activities where appropriate school personnel have jurisdiction over students. In order for the school to provide an environment in which learning can take place, it is essential that each student conduct himself/herself responsibly at all times. Therefore:

1. Conduct and language while on campus should be in keeping with classroom and school rules.

During suspension, students are not to be on school property at any time during or after school. Students may not attend or participate in any after school activities.

## **TARDINESS**

## **TELEPHONE**

The office phones are not for students' use, except in emergency cases which must be cleared by an authorized adult.

## **TRANSPORTATION**

### **Bus Students:**

Students are to ride the bus to which they are assigned. Any change in transportation will require a note with phone number to enable the office to verify the change. While on the bus, students are under the supervision of the driver. Conduct which, in the driver's judgment, endangers other students or the safe operation of the bus will not be tolerated. The students' privileges of riding the bus continue as long as his/her conduct is acceptable.

If for any reason the bus is late arriving at school, the student should report to the office so that he/she will not be counted as absent.
