

CHELSEA MIDDLE SCHOOL

2020-2021 CSI Plan At a Glance

Vision: It is the VISION of Chelsea Middle School to create a culture where students, staff, and parents work together to promote a learning environment which motivates students to find their purpose, realize their worth, and achieve their full potential.

Mission: The MISSION of Chelsea Middle School is to provide developmentally appropriate programs which engage students with real-world applications in a positive school environment. By Providing students with multiple opportunities to succeed, we ensure that students will grow socially, emotionally, and academically.

Mathematics

Critical initiative — Implement standards-based, targeted math instruction.

Intended Outcome — Develop data-informed instructional practices that improve Tier I learning for all students.

Activities — Targeted standards-based bell ringers and non-foundational spiral standard incorporation.

Activity Measures — Formative assessments through bell ringer quizzes and student grades.

Benchmark - ACAP

English Language Arts

Critical initiative — Implement standards-based, targeted ELA instruction.

Intended Outcome — Develop data-informed instructional practices that improve Tier I learning for all students.

Activities — Lexia opened to all with reading goals (ATSI), reading stamina for long passages, and pre-writing samples for all types of writing.

Activity Measures — Quarterly progress reports to reflect student progress, student conferencing, and quarterly writing assessments.

Benchmark — Lexia, ACAP, and student celebrations who exceed their goals.
