

CSI 2020-2021 AT A GLANCE

Our Mission: To prepare students for a successful transition into college or a career.

Our Vision: A caring place that gives students a second chance to earn graduation credits, career technical credentials and make positive contributions in their community.

The Success Program Offers

The Success Program is a dropout prevention program in Shelby County Schools. The program offers students the opportunity to earn high school academic credits and certification in a career/technical program. Students cannot graduate early, but can accelerate in academic courses in an effort to get back on track and graduate with their Kindergarten grade cohort.

Graduation Rate

- Improve graduation rate
- Weekly lack of progress PLC meetings
- Scheduled small group intervention four days a week
