Summer ROBOTICS CAMP
Open to Current third, fourth, fifth grade!

Students will be introduced to vocabulary, knowledge, concepts and skills needed to build and program robots. Lego Mindstorms EV3 Robots will be used to engage students in complex, problem-solving situations.

- Learn scientific and engineering principles
- Design, build, and operate robots
- Program robots using ipads and desktop computers
- research robotics engineering and ethics

Classes Dates/Times

June 3rd - 6th 9:00-12:00
July 22th - 25th 9:00-12:00

Cost: $150.00 per week

HOW TO JOIN:
Step 1: *** Students must be registered with Community Education. The cost is $5. This fee is non-refundable. Information on how to pay the $5.00 registration fee will be emailed at a later date. Do not include the $5.00 registration fee in the vendor fee. Students may not attend class until they are registered with Community Education.

Step 2: Turn in enrollment form and vendor fee of $150 to Mrs. Bailey by May 3, 2019. The session will close at 20 students. (Checks made to Vickey Bailey)
