Get Ahead on 5th Grade Math Camp

July 22nd-26th ~ 8am-11am

A sneak peek at often challenging 5th grade math concepts including:

- Fractions (adding and subtracting)
- Decimals (multiplying and dividing)
- Geometry (2D figures and coordinate planes)
- Data in line plots (mean, median, mode, range)
- Converting units of measurement (standard and metric)

$125 fee for the week, Monday-Friday

Checks should be made out to Dana Furman, please.

Shelby County’s Community Education Dept also charges a one-time separate $5 registration fee for students not already participating in the summer enrichment program. A link to the online registration will be sent to the email address provided below.

For more information, contact AMSTI-trained, Oak Mountain Intermediate 5th grade teacher, Dana Furman.
