ROBOTICS CAMP

June 24th-28th ~ 8am-11am

Students will explore Science, Technology, Engineering, and Mathematics (STEM) through designing, building, and operating VEX IQ competition robots.

$125 fee for the week, Monday-Friday. Checks should be made out to Dana Furman.
Shelby County’s Community Education Dept also charges a one-time separate $5 registration fee for students not already in the summer enrichment program.

Get a head start on the 2019-2020 competition season!

Spaces are limited and will be filled on a first-come, first-served basis.

For more information, contact OMIS Robotics team sponsor, Dana Furman. Email: dfurman@shelbyed.org.

Fill out the section below, cut, and return to Ms. Furman on blue hall, Room C314.
You will be contacted at the email address you provide with a link to the online registration for Shelby County Community Ed.
