Dear Shelby County Schools Family:

Governor Kay Ivey and State Superintendent Dr. Eric Mackey just announced the closure of schools for the remainder of the 2019-2020 school year due to the impact of COVID-19 on our state.

School superintendents statewide just received this information along with you, and we will be conferring tomorrow with Dr. Mackey for additional details. I have been working with our leadership team and instructional staff leaders to determine the next steps for Shelby County Schools in terms of delivering instruction to students at home. I will share those details with you as soon as we have them finalized.

Thank you for your patience and understanding during this difficult time. While we have many decisions to make, I am encouraged by our school leaders, teachers and staff members. Be assured that we will work extremely hard to serve our students.

Please continue to monitor your email and the district's website, www.shelbyed.k12.al.us for future updates.

Warmest regards,

Lewis Brooks, Ed. D.
