

INDIRECT COST PROPOSAL Fiscal Year 2021

CERTIFICATE OF INDIRECT COSTS

This is to certify that I have reviewed the indirect cost rate proposal submitted herewith and to the best of my knowledge and belief: (1) All costs included in this proposal from the Fiscal Year 2019 approved financial statement to establish fixed indirect cost rates for Fiscal Year 2021 are allowable in accordance with the requirements of the federal awards to which they apply and Title 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", Subpart E, "Cost Principles". Unallowable costs have been adjusted for in allocating costs as indicated in the indirect cost rate applications. (2) All costs included in this proposal are properly allocable to Federal Awards on the basis of a beneficial or casual relationship the expenses incurred and the awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar type of costs have been accounted for consistently.

I declare that the foregoing is true and correct.
