

AP French

Resources

There is NO REQUIRED summer work for AP French but if you would like to jumpstart preparations, please check out this free online course. It is self-paced beginning May 31.
<https://www.edx.org/course/on-ramp-to-ap-french-language-and-culture>

I also highly suggest watching French movies, tv shows, and youtube videos as often as possible. Please join our Google Classroom to receive updates and recommendations throughout the summer. And feel free to post your own!
