

Distance Learning Agreement Sending Class

A Distance Learning network with two-way interactive audio/video teaching is a means to provide courses that normally would not be offered to students because of low enrollment or lack of highly qualified personnel. Your child is currently enrolled in a class where the teacher will be providing instruction via Distance Learning to another class.

This instruction should in no way lessen the quality of instruction your child receives. In fact, it will expose your child to interactive video conferencing which is a great opportunity for them. This agreement is intended to make both the students and the parents aware of the standards expected of students enrolled in such courses.

Both students and their parents are expected to read and sign this agreement. Any questions regarding the agreement content should be directed to the student's school principal or the Technology Coordinator at 682-5620.

Video Taping of Classes

My voice, physical presence, and participation in activities will be transmitted to Distance Learning sites and may be taped for future use in an educational setting. I hereby agree that transmission and taping of my voice, presence, and participation in these events will not be a violation of my personal rights and thereby release any claims for use of such. I understand that viewing of classes that are videotaped is for instructional purposes only and tapes may or may not be available.

Student Privacy and Safety

I will notify my school counselor if any reason exists or arises that participation in a Distance Learning class will compromise my privacy or safety.

Conduct Rules*

1. I will sit within the camera view at all times, unless otherwise instructed to do so.
2. I will use and control all equipment properly, as trained and instructed to do so.
3. I will not remove any equipment from the classroom unless instructed to do so.
4. I will follow the instructions of the course teacher and, if at a receiving site, those of the class facilitator.
5. I will use equipment carefully and report any malfunctions to my teacher immediately.

*These rules are in addition to the expectation that all students will follow the Shelby County School System Student Code of Conduct at all times.
