AM Route Times: \_\_\_\_\_

PM Route Times: \_\_\_\_\_

## Directions for Route Description:

- List the departure times and STOP times.
- Indicate whether you turn “L” Left, “R” Right, “STOP”, or “T/A” Turn Around.
- Indicate the street names and addresses as necessary for this information.
- Indicate the average number of students for each stop.
- **Indicate with “LC” any students who cross the road.**  
Example: “3-LC” is 3 left crossers.

## Directions for Route Map:

- Show, on a diagram, the main roads traveled.
- Indicate the direction of travel on the diagram.
- Indicate the approximate stop locations in order. Ex: 1, 2, 3, etc...
- If there are any unusual areas on your route, please make a note of explanation.
